Subject: Approval of Partial Transfer (from Bonneville Quarries file number S/003/017), Form and Amount of Reclamation Surety, and Complete Notice of Intention to Commence Small Mining Operations, Oakley Mountain Corp., Green Beetle Quartzite Tract Mine, S/003/072, Box Elder County, Utah

Dear Mr. Scrivanich:

On December 2, 2005, the Division approved the partial transfer of Bonneville Quarries Inc.'s Green Beetle Quarry from permit #S/003/017 to Oakley Mountain Corp. permit #S/003/072. This partial transfer includes only the current disturbances of Bonneville Quarries Pit #1 and Pit #2, as shown on the map attached to the transfer. Oakley Mountain Corporation is now responsible for all mining and reclamation requirements for Pit #1 and Pit #2 of the Green Beetle Quarry. Bonneville Quarries is released from any further reclamation responsibility for this portion of their quarry under file S/003/017.

Also approved is the \$14,300 reclamation surety in the form of a Letter of Credit issued by Columbia Bank. Copies of the signed and executed documents are enclosed for your files. Also enclosed is an addendum to the Reclamation Contract which changes the mine name from Green Beetle Quarry to Green Beetle Quartzite Tract and incorporates the map date of 8-26-05 into the map attached to the contract. **Please sign this addendum and return the original to this office in the enclosed envelope.**

Approval of the transfer and the surety now completes your Notice of Intention. You may commence with your mining operations as outlined provided you have satisfied the requirements of, and received written acceptance from the BLM and SITLA.
